Reduce? Reuse? Recycle? Workshop

What's the best option for getting rid of things in a world where nothing truly disappears? Come learn how to take the mystery out of what to do with stuff when you're done with it. Discover ways to make your trash can obsolete, and how you can better dispose of waste.

Presented at Lutheran Church of Our Redeemer and Gethsemane Lutheran Church.

Sunday, September 20, 2026

Creation & Church Discussion

Season of Creation calls us to be better shepherds and stewards of the world around us, recognizing the responsibility we have to the gifts we have been given. How can we steward church grounds in care of creation?

Presented at Lutheran Church of Our Redeemer and Gethsemane Lutheran Church.

Sunday, September 13, 2026

Living Water Poetry Workshop

Join us for a morning of celebrating this year's Season of Creation theme, "Living Water", through poetry and Bible exploration. Bring a short poem about water to share, and dive into your own creativity as we compose poems that reflect this precious resource.

Presented at Lutheran Church of Our Redeemer.

Sunday, September 27, 2026

AI & Water Stewardship Discussion

We live in a changing world with increasing demands on our resources and the stewardship of them. How does the dramatic increase in AI use affect our water supplies and the communities that rely on clean, "living water"? How can we be responsible in our use of technology?

Presented at Lutheran Church of Our Redeemer.
